Keidel Supply Co. Inc. is a full-service distributor that services the plumbing, cabinetry, appliance and lighting needs of residential and commercial plumbing contractors, builders, remodelers, as well as homeowners who are building or remodeling their homes.

Keidel Supply can deliver materials directly to your jobsite anywhere in the Greater Cincinnati area, and they will hold merchandise purchased in advance for delivery according to your project schedule. You can call them a day ahead and they can usually tell you about what time the truck will arrive.

Our presentation will be conducted by Bill Berger of Kohler and his topic will be “Infusing Color into the Kitchen and Bath”. We will also have a representative from Porter Paint on site to talk on the new color trends in paint. The presentation will be good for (1 hour) of CEU credit for certified professionals. So, come out to enjoy an evening of fun, food and beverages (adult & other) with our friends at Keidel Supply Company and the rest of the Ohio Valley NARI family. Be sure to play Split the Pot to have extra chances at winning one of the over \$500 in Kohler products that Keidel will be providing as door prizes.

Sponsor a potential member and bring them along as NARI's guest!
