

Ohio Valley NARI CotY Submission Process

We are rolling out a new submission process for the Contractor of the Year (CotY) Awards. The new process should simplify submitting entries, while allowing you the opportunity to make updates and changes to your entry until the deadline.

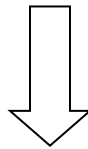

Step One

Visit the Ohio Valley NARI CotY [webpage](#).

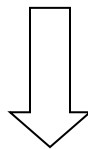

Step Two

Download the Local CotY Materials. These materials include the program rules, judging process, categories and entry forms.

Step Three

Submit and pay for your entry on the Ohio Valley NARI [CotY Registration page](#).

Step Four

Ohio Valley staff will send you a Dropbox link once they receive your registration. This Dropbox link is where you will upload your images and project presentation.

Edits can be made to your CotY Entry submission until the **deadline of November 26, 2018 at 5:00 p.m.**
