Tuesday, January 20, 2015

6:00 p.m. – 7:00 p.m. Registration and Networking
7:00 p.m. – 9:00 p.m. Presentations and Discussions

Topic:

Driving Personal Growth to Your Organization and Life

This month, we will continue our conversation from the last meeting, discussing the use of your company and personal vision to drive cultural and personal growth in your organization and life. We'll see how using tools like Social Promise can positively impact your professional and personal relationships. We will also be discussing how to use measurements to bring accountability to your efforts.

A reminder that the growth we are discussing does not relate directly to revenue growth. Growth happens in many ways and harbors many personal and professional benefits.
