

Increase Efficiency and Profits While Reducing Liability and Call Backs

the wedi Product Demonstration & Certification Program

Attend the FREE wedi Shower System Product Demonstration & Certification Class to learn how wedi:

- Is highly customizable
- Is a mold & waterproof system
- Reduces jobsite mess and disruption
- Replaces the mud pan and liner process
- Is ideal for steam rooms
- Is extremely easy to cut and fabricate using basic tools
- Eliminates applications of waterproof roll on or sheet membranes
- Replaces heavy concrete boards that are not waterproof
- Expedites construction and installation schedules - complete showers in 2-3 hours
- Is a single source, 30+ year proven, 100% waterproof shower made in Germany
